## Frozen Rolls

### INGREDIENTS

- ¼ cup warm Water.....○
- 1 cup warm Milk.....○
- ⅓ cup melted Land of Lakes Butter.....○
- 1 Egg beaten (at room temperature).....○
- 1 tablespoon Lemon Juice.....○
- 4 cups Bread Flour.....○
- 2 tablespoons Wheat Germ.....○
- ½ cup granulated Sugar.....○
- 1 teaspoon Salt.....○
- 1 tablespoon Active Dry Yeast.....○

### PREPARATION

- Place the ingredients in the bread machine in the order listed above.
- Select the dough setting.
- 30 minutes before the rise cycle is completed, dump dough out onto a board. Cut dough in half, then in half twice more. Then cut each piece into 3. Roll each individual piece into a ball and put two in each well of a well greased roll pan.
- Immediately cover with aluminum foil and freeze.
- Repeat until 4 to 6 pans frozen.

**Makes 12 rolls.**
